Level 3 - Pre-Intermediate (B1)

American Headway 3 helps students develop more detailed communication by introducing more complex language structures and broader topics. Learners begin to talk about experiences, future plans, and opinions with improved fluency.

- Learn more complex grammar and language patterns
- Express opinions, experiences, and future plans
- Build confidence in extended conversations
- Improve comprehension through longer texts and listening tasks

Level 4 - Intermediate (B2)

American Headway 4 strengthens overall fluency and accuracy. Students explore a variety of real-world topics and practice communicating in more challenging situations, preparing them for academic and professional contexts.

- Develop intermediate grammar and vocabulary
- Engage in discussions on a range of topics
- Write more structured and detailed texts
- Improve fluency and confidence in real-life communication

Level 5 - Upper-Intermediate (C1)

American Headway 5 refines students' advanced communication skills by emphasizing clarity, coherence, and detailed expression. Learners work with authentic texts and participate in higher-level speaking and writing tasks.

- Master complex grammar and advanced vocabulary
- Interpret and discuss authentic, challenging content
- Express ideas clearly and logically
- Prepare for academic and workplace communication

Level 6 - Advanced (C2)

American Headway 6 prepares students for near-native proficiency by developing sophisticated language use, analytical skills, and high-level communication. The course focuses on nuance, advanced reading, structured writing, and in-depth discussions.

- Use advanced grammar with precision
- Analyze and interpret complex texts
- Communicate ideas fluently in academic and professional contexts
- Produce clear, well-structured, and persuasive writing
